Writing

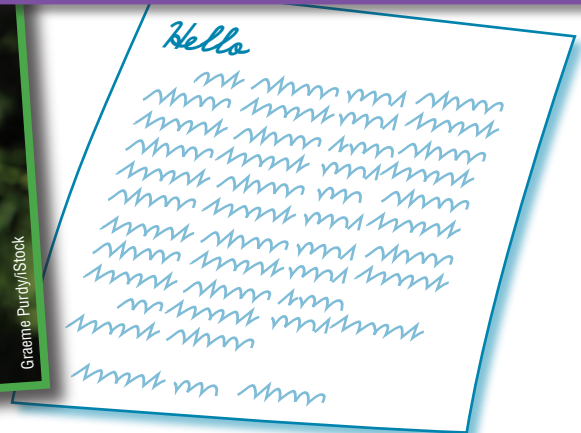

Home, Sweet Home

Imagine you are an ocelot. Write a letter to the people at the Sabal Palm Audubon Sanctuary thanking them for working to restore your habitat. List specific actions they have taken to help.

Research Skills

Arctic Animals

Use a website or a resource book to help you investigate these questions.

- How are polar bears different than grizzly bears? Investigate how they look, what they eat, and where they live.
- Which animals live in the Arctic year-round? Which animals live there only during certain times of the year? Why? Make a chart like the one shown.
